San Francisco Institute of Esthetics & Cosmetology

STUDENT POPULATION AND CULTURE

The student population consists of primarily two types:

- Individuals seeking professional training in addition to state board preparation in Cosmetology, Barbering and Esthetics, i.e. Future Professionals.
- Licensed professionals seeking additional training. Upon satisfying program requirements, you will receive a certificate of completion.

The culture at San Francisco Institute of Esthetics & Cosmetology is inclusive and open-minded. We welcome, accept and celebrate diversity. We embrace and respect individualism at its very best.
