VIOLENCE AGAINST WOMEN ACT

This document has been designed to inform all students and employees of the Violence Against Women Act and outlines San Francisco Institute of Esthetics & Cosmetology's commitment to the health and safety of its students and employees. This annual disclosure document is done each year by contacting the local police department and the building management to compile the statistics used in the report. This document explains the school's policy regarding crime prevention, public safety, and criminal reporting procedures. This document will be provided to all prospective students and staff and will be reviewed with all students during orientation and with staff at the time of hire. The school will also provide a yearly training in January of each year when the new statistics are available. The training promotes awareness and prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking, as well as outlines options for reducing the risk of such offenses occurring, the warning signs of abusive behavior, and how to avoid potential attacks. Please read this document carefully and ask questions if you feel confused or uncertain. The school's Campus Security Coordinator is Deedee Crossett, Dean/Director.

Each year, the school brings in a local law enforcement official and a representative from the local crisis center to review how to protect yourself against crime, how to be responsible for your own safety, and how to protect yourself against sexual assault. San Francisco Institute of Esthetics & Cosmetology is committed to making your school a safe place.
